3. This is the first page that will be shown to the user after the administrator has registered him/her. User logs in to the Plagiarism detector system through this screen.

The image shows a login screen for a 'PLAGIARISM DETECTOR' system. The title is centered at the top in a blue, underlined font. Below it, there are two input fields: one for 'Login ID' and one for 'Password'. A blue 'login' button is positioned below the password field. The entire form is enclosed in a thin green rectangular border.
